Main Argument Lawyers:

Outline of argument

- This document should be multiple pages long and as detailed as possible.
- This document should mimic the following format for organization and detail, but you can change to fit your own groups needs.

Outline format

- I. Introduction
 - A. How will you introduce your main point? How will you hook the court?
- II. Bomb Argument # 1
 - A. What are your ideas?
 - B. Quoted evidence (what source)
 1. What does the quote argue? How does it support?
- III. Bomb Argument # 2
 - A. What are your ideas
 - B. Quoted evidence (what source)
 1. What does the quote argue? How does it support?
 - C. Image or graph?
 1. What does the image/graph convey?
- IV. Bomb Argument # 3
 - A. What are your ideas
 - B. Quoted evidence (what source)
 1. What does the quote argue? How does it support?
- V. Conclusion
 - A. How will you conclude your presentation?

Counter Argument Graphic Organizer

Summarize the Main Points of opponents research (4-5 sentences)

- Try and professionally skim to figure out their “big picture” argument first

What do you predict your opponent will argue in their presentation?

Primary vs Secondary Sources

How many primary sources:

How many secondary sources:

Supporting Facts: Create a list of 5 pieces of evidence that support what you believe they will argue

Source Name:	Evidence from the source:
